

The Road To Full Employment

The majority of the employment increase (75 per cent) is a result of rising participation, that is, new entrants to the labour force. This underscores the limitations of a full employment agenda solely focused on driving unemployment downwards. Ian Lavery MP, Chair of Parliamentary Labour Party TUC Group. 1. The road to full employment. 4. 2. Where are the jobs going to come from? 3. Back to work. The Road to Full Employment. CONTINUED.
